

Research Publication And Scientific Presentations By Faculty And Resident Doctors

1. Dr Mona Shastri - M.D. Radiodiagnosis- Professor

- ✓ **Original Research Publication**
as First Author

(1Mona Shastri, Rucha Sheth, Ekta Desai

Ultra sound Guided Reduction of an Ileocolic Intussusceptions
By a Hydrostatic Method by Using Normal Saline Enema.
Journal of Clinical and Diagnostic Research, Dec.2012,1722-1725

Pubmed index no-ISSN-0973-709x

(2.Mona Shastri, Nehal Diwanji,Ekta Desai, Mona Chitara,Avni Bhatt

Mona Shastri, Nehal Diwanji, Ekta Desai, Mona Chitara, Avani Bhatt.
Spectrum of radiological findings in leptospirosis on chest radiograph and ultrasonography – study during epidemics in south Gujarat region of India – in JCDR – journal of anatomy, radiology and surgery –Pissn2277-8543 Vol.6(4);R007-R012 ,October 2017

As Second Author

(3 Role of various Radiological Modalities in Evaluation of Non-Thyroidal Neck Masses. Pratik

R.Tailor, Mona D.Shastri, Kalpeshkumar K.Bhabhor
International Journal of Science and Research (ISJR) ISSSN 2319-7064
Page no 1898-1902 Volume6 ,Issue2,February 2017

4) Abdominal Ultrasound Findings in HIV Infected patients and its correlation with CD4+ Counts Dr.

Kalpeshkumar Bhabhor, Dr. Mona Shastri, Dr.Ekta Desai
International Journal of Science and Research (ISJR)ISSN 2319-7064
Volume-6 Issue-4 , April2017

5) Diagnosis and Staging of Lung Carcinoma with C.T.Scan and its histopathological correlation.

Dhara Shah, Mona Shastri,Dhagash Patel, Nehal Diwanji,Ekta Desai, Mona Chitara, Avni Bhatt
International Journal of Research in Medical Science, **ISSN 2320-6071**
Volume-5 Issue-6 June2017 ,Page1-7

Case Report on Renal tuberculosis- can it be diagnosed early

Int J Inte Med Res.2014:1(1);33-37

.

- ✓ **Original Research Paper Presentation at National and State Conference**

(1 IRIA-2013 at INDORE M.P.- Original Research Paper

Role of chest radiograph &ultrasonography as diagnostic & prognostic indicator in management of patients of leptospirosis- study during epidemics in south Gujarat region of India

(2 IRIA-2015 at Kochi- Kerala – Three e Posters

- I) A rare variety of Pancreatic neoplasm in teenage girl
- ii) A case of Ellis Van Creveld Syndrome
- iii) Carotid Body tumor with metastasis-A rare entity

(3 IRIA 2017 At Jaipur, Rajasthan- original Research Papper

Radiological insights of the womb:Prenatal diagnosis of congenital anomalies and fetal interventions.

(4 National Conference on Pediatric Critical Care N.C.P.C.C.-2010

Ultra sound Guided Reduction of an Ileocolic Intussusceptions
By a Hydrostatic Method by Using Normal Saline Enema- STUDY of 40 cases

As Guest Faculty –Lecture/ conducting workshop in conferences

- (1 Mid term Scientific conference of IAP Gujarat State Branch-2005
- (2 12 th National Conference on Pediatric Critical Care 29-31st October 2010
Conducted workshop on Functional Echo and USG In PICU /NICU
- (3 State conference of Academy of pediatrics, December 2011
- (4 Department of Radiodiagnosis, SMIMER and RIA Surat- 1st July 2012
Update on Musculoskeletal and soft tissue Imaging
- (5 Surat Municipal Institute of Medical Education and Research
Update in Biomedical waste management, August 2012
- (6 National Conference of Pediatric Infectious Disease at Vijaywada, Andhrapradesh in December 2013
- (7 Department of Radiodiagnosis, SMIMER and RIA Surat
CME On fetal Imaging and Vascular Colour Doppler
23 rd March 2014
- (8 Department of Radiodiagnosis, SMIMER
workshop on Ultrasound and C.T.Guided Biopsy
- (9 Government Medical College, Surat, Updates in Radiology-2016
- (10 RIA Gujarat State Chapter
Annual State Conference on 18-19 MARCH 2017

As co-author-

Original Research paper-

- 1.Role of conventional Radiology and other imaging modalities in bone tumor and tumor like condition in 4th Annual conference of Musculoskeletal society 23-25 September 2016 at Ahmedabad
- 2. Hand: a narrator of systemic disease in plain roentgenographic films in 4 th Annual conference of Musculoskeletal society 23-25 September 2016 at Ahmedabad
- 3. evaluation of osteoarthritis of knee with X-ray and magnetic resonance imaging and correlating with radiological findings in Indian population

Case Presentation

C.T.Fest 2015 Nagpur 11 to 13 December

A case of pulmonary A-V Malformation

IRIA Gujarat state chapter annual state radiology conference , Ahmedabad 26 to 27 dec 2015

- i)Imaging panorama of silent killer superior mesenteric artery occlusion
- ii)Dysphagia venosa : a rare venous cause of dysphagia
- iii) A rare case of emphysematous pyelonephritis in unrestrained diabetes melitus

IRIA 2016- Bhuvaneshwar

- i)A CASE Of Gorlin Goltz Syndrome

(Ultrafest 2016 8th to 10 th April- Mumbai

- i)A case of parathyroid Adenoma with changes of hyperparathyroidism
- ii) Urachal Tumor –A rare case of Mucinous Cystadenoma of undermined malignant potential
- iii) A case of thantophoric dysplasia : a rare entity
- iv)A case of fetal megacystitis with cloacal dysgenesis

4 th Annual conference of Musculoskeletal society 23-25 September 2016 at Ahmedabad

- i)A rare case of morquio syndrome (type 4 mucopolysaccharidosis)
- ii)A rare case of hemangi pericytoma of skull

2.Dr Ekta Desai- M.D. Radiodiagnosis- Associate Professor

Original Research Publication-

- 1.) Desai E, Patidar N, Sastri M, Bhatt A, Patel D, Chitara M, Diwanji N. Ultrasonographic evaluation of thyroid lesions in south Gujarat area. Int J Med Sci Public Health 2017;6:281-285
- 2.) Patidar N, Desai E, Goyani B, Sastri M. Ultrasonographic evaluation of urinary bladder neoplasias. Int J Res Med Sci 2015;3:3775- 8.
- 3.) Sunny Mishra, Ekta Desai, Mona Shastri, Nipa Patidar, Nehal Diwanji- Ultrasound as a Tool in Predicting the Severity of Plasmodium Falciparum Malaria Sch. J. App. Med. Sci., Mar 2017; 5(3D):960-964
- 4.) Patidar N.,Desai E.,,Shastri M D.,Bhatt A.,Diwanji N,Chitara M,. 3D Transperineal ultrasonography of the pelvic floor anatomy and dysfunction. Journal of Medical Science and Clinical research.2017:05(10): 2455-0450 (Publication underprocess)

Original Research Paper Presentation at National and State Conference

As 1st co author

- 1.) Annual conference of musculoskeletal society, Ahmedabad Hand: a narrator of systemic disease in plain roentgenographic films.
- 2.) 4th annual conference of musculoskeletal society. Role of conventional radiology and other radiological modalities in avascular necrosis of bone.

POSTER

- 1.) 69th Annual Conference of IRIA Twin Reversed Arterial Perfusion (TRAP) exploration of a rare acardiac acephalic twin. as 1st co author.
- 2.) CT Fest 2015 An unusual case of pelvi-ureteric junction obstruction by aberrant renal artery. as 1st co author.
- 3.) Poster on Ellis Van Crevald Syndrome. as 1st co author.
- 4.) Poster on Carotid Body tumor. As a author.

3. Dr.Nehal Diwanji, Associate Professor

PAPERS (ORIGINAL RESEARCH ARTICLES)

- 1) Diwanji N, Dibbad RB, Mona Sastri M, Desai E. The study of role of magnetic resonance cholangiopancreatography (MRCP) in pancreato-biliary disorders. Int J Med Sci Public Health 2016;5:2635-2640
- 2) Diwanji NS, Pancholi AD, Shastri M. The role of color Doppler and spectral flow analysis in the management of pregnancy induced hypertension. Int J Res Med Sci 2017;5:1300-5.
- 3) Diwanji NS, Panchal M, Sastri M. Sonomorphological, grey scale and color Doppler flow imaging evaluation of ovarian lesions. Int J Med Sci Public Health 2017;6(5):912-918.
- 4) Diwanji N, Swami M, Sastri M, Patidar N. The role of grey scale and color Doppler ultrasound imaging in cervical lymphadenopathy evaluation and differentiation. Int J Med Sci Public Health 2017;6(5):919-925.
- 5) Mona Shastri, Nehal Diwanji, Ekta Desai, Mona Chitara, Avani Bhatt. Spectrum of radiological findings in leptospirosis on chest radiograph and ultrasonography – study during epidemics in south Gujarat region of India -- journal of anatomy, radiology and surgery –Pissn2277-8543 Vol.6(4);R007-R012 ,October 2017
- 6) Rajeev dibbad, nehal diwanji, mona shastri The role of gray scale and color Doppler ultrasound in evaluation and differentiation of major salivary gland lesions. journal of anatomy, radiology and surgery –Pissn2277-8543 V january 2018,

CASE REPORTS

- 1) Primary chondrosarcoma of the lung with cutaneous and skeletal metastasis Singapore Med J 2007, 48(7):e 196 Pubmed index no;ISSN-17609814
- 2) Sanket Diwanji, Nehal D Shah. An effective palliation for multiple painful skeletal metastasis: Hemibody Radiation, Journal of Orthopaedics 2006, ISSN – 0972-978X
- 3) Dr.Nehal Shah(Diwanji), Diwanji S.R. Tuberculous Tenosinovitis of flexor digitorum longus tendon Orthopedics;2008 May 31 (S)499 Pubmed index no-ISSN-19292304

POSTERS

1) poster at 11th National Annual Conference of Indian Society of Peadiatricn Radiology ISPR 2013
Won prize of one of first two best posters

2)Two Posters in “update On Musculoskeletal And Soft Tissue Imaging Pediatric Conference 2012–
2nd prize in one posters

4. Dr. Nipa Patidar Assistant Professor

Papers (original Research Articles)

- International Journal of Research in Medical Sciences. 2015 Dec, 3(12):3775-3778
Ultrasonographic evaluation of urinary bladder neoplasias. pISSN – 2320-6071, eISSN- 2320-6012
- International Journal of Medical Science and Public Health/ 2016/vol.5/ Issue07 A study of mediastinal mass lesions by various imaging modalities ISSN : online 2277-338X print -2320-4664
- International Journal of Medical Science and Public Health/ 2017/vol.6/ Issue02
Ultrasonographic evaluation of thyroid lesions in south Gujarat area ISSN : online 2277-338X print – 2320-4664
- Patidar N., Desai E., Shastri M D., Bhatt A., Diwanji N, Chitara M.,
3D Transperineal ultrasonography of the pelvic floor anatomy and dysfunction. Journal of Medical Science and Clinical research. 2017:05(10): 2455-0450 (Publication under process)

Posters-

- 1.) Ultrafest 2016 April 8- 10th , Mumbai
A rare case of papillary carcinoma in thyroglossal duct cyst
- 2.) Ultrafest 2016 April 8-10th , Mumbai - A case of extracranial aneurysm of internal carotid artery

5. Dr. Dhara Shah- Assistant Professor

Original Research Paper-

1. Diagnosis and Staging of Lung Carcinoma with C.T. Scan and its histopathological correlation.

Dhara Shah, Mona Shastri, Dhagash Patel, Nehal Diwanji, Ekta Desai, Mona Chitara, Avni Bhatt

International Journal of Research in Medical Science, **ISSN 2320-6071** Volume-5 Issue-6

June 2017 , Page 1-7

2. Dhara Shah, Chinmay Shah, Mona Shastri, Ekta Desai, Dhagash Patel, Mona Chitara

Prospective study of Role of colour Doppler in high risk pregnancy in a tertiary care hospital

International Journal of Medical Science and Public Health 2017/Vol 6 /Issue 8. Page no 1330-1335

5. DR. DHAGASH PATEL (SENIOR RESIDENT, DEPARTMENT OF RADIO DIAGNOSIS)

- Poster : A case of osteosarcoma with pulmonary metastasis
- MDCT Udaipur, 2010 Various presentation of hydatid cysts
- A rare pancreatic neoplasm in teenage girl
- Display of common to rare subtypes of fibrous dysplasia, Hyderabad. 2015
- MDCT, Udaipur Klatskin J.r

6. Dr. Avani Bhatt (SENIOR RESIDENT, DEPARTMENT OF RADIO DIAGNOSIS)

Poster:

CT fest 2015 11, 12, 13 December 2015, Nagpur

1. A Case of cranio-vertebral junction anomaly occipital vertebrae with hypoplastic clivus

2. A case of LCH CME On fetal Imaging and Vascular Colour Doppler

23 rd March 2014

7. Dr. Mona Chitara (SENIOR RESIDENT, DEPARTMENT OF RADIODIAGNOSIS)

Poster :

A case of LCH CME On fetal Imaging and Vascular Colour Doppler

23 rd March 2014

SCIENTIFIC PRESENTATIONS BY RESIDENT DOCTORS

Dr. Sunny Mishra (3rd year resident, Exam going)

1. Poster on An **unusual case of pelvi-ureteric junction obstruction by aberrant renal artery** at CT Fest 2015 held at Le Meridian, Nagpur held on 11-13DEC 2015
2. Poster on **Twin Reversed Arterial Perfusion (TRAP) exploration of a rare acardiac acephalic twin** at 69th Annual Conference of IRIA held at Hotel Swasthi Premium, Bhubhaneshwar held on 21-24 JAN 2016
3. Paper on **Can we predict future hip fractures by just viewing the hand** held at 4th annual conference of MusculoSkeletal society on 23 – 25 sept , 2016
4. Paper on **Hand : A narrator of systemic disease in plain roentgenographic films** held at 4th annual conference of MusculoSkeletal society on 23 – 25 sept , 2016

Dr. Pratik Tailor (3rd year resident, Exam going)

1. Poster on **A Case of pulmonary Arterio-Venous Malformation** at MSBIRIA held at Le Meridian, Nagpur held on 11-13DEC 2015
2. Poster on **A case of Gorlin Goltz syndrome** at 69th Annual Conference of IRIA held at Hotel Swasthi Premium, Bhubhaneshwar held on 21-24 JAN 2016
3. Poster on **A case of parathyroid adenoma with changes of primary hyperparathyroidism** at Ultrafest 2016 (MSB IRIA) held on 8-10 april 2016
4. Poster on **Urachal tumour: A rare case of mucinous cystadenoma of undermined malignant potential** at Ultrafest 2016 (MSB IRIA) held on 8-10 april 2016
5. Paper on **Role of conventional radiology and other radiological modalities in bone tumor and tumor like conditions** held at 4th annual conference of MusculoSkeletal society on 23 – 25 sept , 2016

Dr. Kalpeshkumar K Bhabhor (3rd year resident. Exam going)

1. Poster on **a case of cranio-vertebral junction anomaly: occipital vertebrae with hypoplastic clivus** at ct fest 2015 held at le meridian, nagpur held on 11-13dec 2015
2. Poster on **a case of osteo-sarcoma with pulmonary metastasis** at 69th annual conference of iria held at hotel swasthi premium, bhubhaneshwar held on 21-24 jan 2016
3. Paper on **role of conventional radiology and other radiological modalities in avascular necrosis of bone** held at 4th annual conference of musculoskeletal society on 23 – 25 sept , 2016

Dr Mehul Mangukiya : (2nd Year Resident Department Of Radiodiagnosis)

1. P-poster on imaging panorama of silent killer- superior mesenteric artery occlusion at iria gsc- annual state radiology conference, club o7, shela, ahmedabad (26-27 dec 2015)
2. E-poster on a case of thanatophoric dysplasia: a rare entity at ultrafest 2016 (msb iria), hotel j.w.marriot, sahar ,mumbai (8-10 april 2016)
3. E-poster on a rare case of morquio syndrome (type iv mucopolysaccharidosis) in 4th annual conference of musculoskeletal society at hotel courtyard marriott, ahmedabad (23-25 sept 2016)

Dr. Shreya Desai: (2nd Year Resident Department Of Radiodiagnosis)

1. **Original Research Paper on Evaluation of osteoarthritis of the knee with xray and magnetic resonance imaging and correlating it with radiological findings in Indian**

- population at 4th annual conference of musculoskeletal society, Ahmedabad on 23rd to 26th September, 2016**
- 2. P -poster on Dysphagia venosa: a rare venous cause of dysphagia at IRSA, GST, Annual state radiology conference, Ahmedabad on 26th and 27th December, 2015**
 - 3. E –poster on A rare case of hemangiopericytoma of skull at 4th annual conference of musculoskeletal society, Ahmedabad on 23rd to 26th September, 2016**

Dr. Kinjal Kakadiya (2nd year resident department of radiodiagnosis)

- 1. P - Poster on A rare case of emphysematous pyelonephritis in unrestrained diabetes mellitus at IRIA GSC- Annual state radiology conference, club o 7, Shela, Ahmedabad on 26-27 December, 2015**
- 2. E - Poster on A case of fetal megacystis with cloacal dysgenesis at ULTRAFEST 2016 (MSB IRIA), Hotel J.W.Marriot, Sahar, Mumbai on 8-10 April, 2016**

Dr. Urvi Charkhawala (R2 - resident department of radiodiagnosis)

- 1. Paper on can cervical elastography predict the risk of preterm delivery ? at ultrafest 2017, j w marriot saher mumbai held on 21 to 23rd april 2017**
- 2. E poster on a rare case of post traumatic radial artery pseudoaneurysm in iria gujarat state chapter at eka club ahmedabad held on 18th to 19th march 2017**
- 3. E poster on imaging spectrum of hydatid disease at diverse locations in iria gujarat state chapter at eka club ahmedabad held on 18th to 19th march 2017**

Dr. Ashish Sachdeva (R2 resident department of radiodiagnosis)

- 1. Paper on computed tomography (ct) evaluation of right iliac fossa (rif) pathologies in iria gujarat state chapter at eka club ahmedabad held on 18th to 19th march 2017**
- 2. E - poster on rare cases of mucopolysaccharidosis at iria jaipur 2017, b.m birla auditorium, jaipur held on 5-8 january 2017**

Dr. Kaushal Patel (R2-resident department of radiodiagnosis)

- 1. Paper on magnetic resonance imaging of rotator cuff pathologies in IRIA Gujarat state chapter at eka club ahmedabad held on 18th to 19th march 2017.**
- 2. Paper on “ Real time sonoelastography in diagnosis of tendinopathies: an added value” at AO CR-IRIA 2018 at Mumbai held on 25th-28th January.**
- 3. E - poster on Rasmussen’s aneurysm: a rare cause of hemoptysis in a patient of pulmonary tuberculosis in IRIA Gujarat state chapter at eka club ahmedabad held on 18th to 19th march 2017.**
- 4. E-Poster on “ A Pictorial review of adult gastric emergencies” at AO CR-IRIA 2018 at Mumbai held on 25th-28th January.**

Dr. Prachi Shah (R1- Resident department of radiodiagnosis)

- 1. E-Poster on “Small Bowel Intussusception an atypical complication of Peutz-Jeghers syndrome” at XV Annual conference Indian Society of Paediatric Radiology held on 9th -10th September 2017.**
- 2. E-Poster on “Intracystic Papillary Carcinoma of Breast- A Rare Case Report” at CME held on women’s imaging in Surat, Dec 2017.**

DR. Nakul Karunakran (R1- Resident department of Radiodiagnosis)

- 1. E Poster on “ Krukenbergs tumour – A Rare case Report “ At CME Held on Women’s imaging (Pink conference) in Surat Dec 2017**

Prize winning & Awards :-

(1 Dr. Mona Shastri- won first prize in paper presentation at 12 th National Conference of Paediatric Critical Care organized by Surat Paediatric Association

From 28/10/10 to 30/10/10

Role of Ultrasound in PICU and NICU

(2 Dr. Nehal Diwanji -won second prize for poster presentation at State conference of Radiology- Update on Musculo-skeletal and soft tissue Radiology.

(3 Dr. Ekta Desai- Associate professor presented poster at State conference of Radiology Update on Musculo-skeletal and soft tissue Radiology **won third prize.**

(4 Dr. Nehal Diwanji presented a poster in National Annual Conference of Indian Society of Paediatric Radiology on 5/10/13 at Ahmedabad **won one of two best paper prize.**

(5 Dr Sunny Mishra-Third year Resident **won second prize** in poster presentation at IRIA 2016 National Conference at Bhuvaneshwar. Topic- Twin Reversal Arterial Perfusion- Exploration of a rare Acardiac acephalic twins.

(6 Dr Pratik Tailor- Presented original research paper on Role of conventional radiology and other radiological modalities in bone tumor and tumor like conditions at 4th annual conference of MusculoSkeletal society at Ahmedabad on 23-25 september 2016 **was selected amongst three best paper**

7) Dr Urvi Charjhwala Presented original research paper on can cervical elastography predict the risk of preterm delivery ? at ultrafest 2017 held at j w marriot sahar, mumbai on 21 to 23rd april 2017. she **got 1st prize in spot light presentation.**

8) Dr. Ashish Sachdev presented a scientific paper on computed tomography (ct) evaluation of right iliac fossa(rif) pathologies at RIA Gujarat state chapter-annual state conference held at eka club,kankaria,ahmedabad on 18-19 march 2017 and **won 1st prize for the same.**

Academic Events

organized by Department of Radiodiagnosis, SMIMER :-

List of Accredited CME-Organized by Department of Radiodiagnosis. SMIMER

- 1. State Level C.M.E- Update On Musculoskeletal And Soft Tissue Imaging (1st July-2012 Taj Gateway Athwalines, Surat)**-jointly hosted by Department of Radiodiagnosis & Radiological and Imaging Association Surat branch has organized. Total 168 Delegates attended the CME.
- 2. C.M.E. on Pulmonary Imaging (7th Sept 2012 at Auditorium, D Block, SMIMER);** jointly hosted by Department of Radiodiagnosis and Department of T.B. and Chest. Total 97 Delegates attended the CME.
- 3. State level CME (23rd March 2014 at TGB, Surat)** jointly hosted by Department of Radiodiagnosis, SMIMER, Department of Radiodiagnosis G.M.C. Surat and Radiological and Imaging Association Surat; Organizing Secretary Dr Mona Shastri; GMC Credit hours-2
- 4. State level CME- 10/12/2017” PINKCON “CME on Women’s Imaging-)** jointly hosted by Department of Radiodiagnosis, SMIMER and R.I.A.Surat.Total 151 delegates attended CME. Gujarat Medical Council granted 3 Credit points

5. The Department of Radiodiagnosis, SMIMER, and Radiological and Imaging Association Surat branch jointly organize regular CME, each accredited by GMC. The details are as follows-

Gujarat Medical Council Accredited CME & Workshop -Details

DATE	VENUE	TOPIC	FACULTY
17/7/12	Seminar Room	Role of PET CT in Diagnostic Imaging	Dr. Sonal Mistry M.D. Nuclear Medicine
		Radio isotope scanning	
22/8/12	Auditorium Mahavir Heart Institute	Normal Anatomy of oral cavity(CT/MR)	Dr. Bimal Unarkat Consultant Radiologist
		Role of MRI /CT in oral cavity pathology	Dr Bhavik Mewada Consultant Radiologist
		Role of Ultrasound in oral cavity & neck pathology	Dr. Chintan Shah Consultant Radiologist
		Foetal Echocardiography	Dr. Binodini Chaunan Obst & Gynec & Fellow Foetal Medicine
26/9/12	Auditorium Mahavir Heart & Superspeciality	Role of Imaging in Osteoporosis	Dr. N.V.Vaccharajani Associate Professor Orthopedics. SMIMER
		Role of HRCT in foreign body detection Discussion of interesting cases	Dr. Maulik Patel Consultant Radiologist
19/12/12	Auditorium New Civil Hosp.	Approach to pediatric Neuroimaging	Dr.Virat Vaghela
		Role of Imaging in Pelvic pathology	Dr.Vinay Shah Dr.Pranav Choksi
6/12/13	Auditorium	C.T. Urography with Clinical and Radiological perspective	Dr. Kapil Thakkar Dr. Ghanshyam Ardesana
21/1/2015	Department of Radiodiagnosis	Hands on Workshop on C.T. and U.S.G. Guided Biopsy – Techniques Total Delegate-31	Dr. Sandeep Jhala H.O.D.Interventional Radiology, Apollo,Ahmedabad
3/2/2015	Department of Radiodiagnosis	Workshop on techniques of 3D/4D Foetal Imaging TECHNIQUES Total delegates-15	Dr. Mona Shastri Ms. Pooja Bhatt from G.E.
14/10/16	D Block Auditorium	First Trimester Screening Workshop at D Block SMIMER (in collaboration with Surat Obstetric and Gynecological Society Total delegates-50	Dr. S. Suresh And team
27/11/16	Taj Gateway Hotel	RadioOrtho CME Meet Total delegates-46	Dr.Deepak Patkar Dr.Pran Purohit
17/1/2017	D Block Auditorium	CME On Vascular and Nonvascular Intervention Total Delegates-35	Dr.Ankit Dumaswala Interven.Radiologist Dr. Hemil Patel Vascular Surgeon
15/12/2017	Ultrasonography Room	Workshop-Role of Ultrasound and Echo- 5THGUJCRITICON2017	ISCCM & Dept. of Radiology

1) DEPARTMENT OF RADIODIAGNOSIS CUNDUCTED TRAINING PROGRAMME FOR ASSISTANT PROFESSOR OF DEPT. OF OBSTETRICS & GYNECOLOGY.

Total Five Assistant Professor were **Trained for Anomaly Scan and Colour Doppler Study.**

LIST;

<u>1</u>	DR MONIKA NANDA	18/7/11_to 30/7/11
<u>2</u>	<u>DR MEGHNA MEHTA</u>	1/8/11 TO 13/8/11
<u>3</u>	DR.PRATIKSHA CHAUDHARI	15/8/11 to 27/8/11
<u>4</u>	DR JIGISHA CHAUHAN	29/8/11 to 10/9/11
<u>5</u>	DR PRIYANKA PATEL	12/9/11 to 24/9/11

List of of Nonacrediated CME- BY Dept. of Radiodiagnosis

Name of Dept.	Date & Time	Topics	Faculty	Venue
Radiodiagnosis And all clinical department	28/1/12 12pm to 2- 00pm	Judicious selection of imaging investigation	Dr. Mona Shastri Dr. Bhavik Mewada	D Block lecture hall
Radiodiagnosis Obst& Gynec	9/2/12 12-00 to 2- 00 pm	PC PNDT Act	Dr. Ekta Desai	*****
Raiolodiagnosis with college of Physiotherapy	12/4/2014 5pm to 7 pm	Xray and MRI of Spine	Dr. Nehal Diwanji	Mahavir Cardiac Auditorium
Radiodiagnosis Obst& Gynec	11/6/2015 11 am - 1 pm	3D Transperineal Ultrasonography of 1.Pelvic floor Anatomy 2.Post op cases	Dr. Nipa Patidar	Seminar room O.G DEPT
