Expression of Interest (EoI) for Establishment of Compressed Bio gas Plant capable of treating 200 M.T./day of Organic waste along with generation of minimum 05 TPD of Compressed Biogas (CBG) in Surat

Tender Notice no. C.E./Env.Cell/03/2023-24

The SOLID WASTE MANAGEMENT RULES, 2016 clearly indicates the need for proper municipal waste segregation, collection treatment and its disposal. It has been recognized to promote the setting up of a Compressed Bio gas Plant capable of treating 200 M.T./day of Organic waste along with generation of minimum 05 TPD of Compressed Biogas (CBG) in Surat City. Surat Municipal Corporation (SMC) is in a process of identification and Providing Suitable technology from technology suppliers of repute having work experience; available infrastructure, their financial position as reflected in their balance sheets, their tentative action plan for being a part of this project.

Expression of Interest (EoI) is sought from ENTREPRENEURS / SOLE PROPRIETORSHIPS / PARTNERSHIPS / LIMITED LIABILITY PARTNERSHIPS / COMPANIES/ COOPERATIVE SOCIETIES / TECHNOLOGY PROVIDERS/PSU’s who are interested in developing all of the following project constituents individually or in an integrated manner

1. Treatment of 200 M.T./day of Organic Waste
2. Generation of minimum 05 TPD of Compressed Biogas

For each of the constituents above, Interested parties while submitting their EOIs shall provide details pertaining to relevant work experience, available infrastructure, their financial position as reflected in their balance sheets, and their tentative action plan for being a part of this project. Proposal shall be incorporated with detailed methodology, treatment including work plan, process description and land requirement. Parties bidding as a part of a consortium may not bid individually.

Short listing of the same will be based on the responses received to this EoI. Each applicant for EoI shall make a detailed presentation showing company profile, similar work done elsewhere, manpower, technical capabilities, etc in front of an evaluation committee formed by Surat Municipal Corporation. The bidder shall bear all costs associated with the preparation and submission of the EoI, including cost of presentation for the purposes of clarification of the response, if so desired by SMC. SMC will in no case be responsible or liable for such costs, regardless of the conduct or outcome of the evaluation process. Surat Municipal Corporation shall provide 20,000 sq.mt land at TPS no.62, Near Dindoli Sewage Treatment Plant at the rate of Rs. 1 per sq.mt per year.

The date and address for submitting the EoIs in sealed cover with clearly indicating name of work on cover by RPAD/SPEED POST are as below:

Last Date:- 20th October, 2023
