---------------------------------	--

Evaluations of Offers:-

- S.M.C. will evaluate the tender with quoted rate with considering all tender conditions. Only bid with all the aspect which is favorable to Surat Municipal Corporation will be considered.
- In this tender, the bidder must offer absolute rates in a specified way in this tender for the various tyres/tubes, for which bidder wishes to offer rate. A comparatively lower offered rate may result in the bidder being awarded the contract for that particular item. Therefore, the order may be split among multiple bidders based on their lowest offers for specific items.
- The contract shall be awarded based on the lowest price offered for each specific item. Instead of awarding the entire contract to a single bidder based on the lowest total bid (L1), the contract for each individual item will be awarded to the bidder who submits the lowest price for that specific item
- The order quantity and value for each bidder shall be determined by the competent authority of SMC and shall be final and binding upon the bidder. The bidder shall have no right to dispute or make any claims regarding the order quantity or value once determined."
