The bidder will also be required to carry out cabling and configuration for internet connectivity with NVR/DVR to make the feed available over internet
- 6.12. The recording of the CCTV footage installed at respective event location should be done in the network video recorder (NVR/DVR) placed at each event location only. Provision for necessary storage in NVR/DVR should be done in such a way that the CCTV footage for the entire duration as mentioned in the issued work order should be recorded in the local NVR/DVR.
- 6.13. The bidder will be required to provide the recording from each event location for the entire duration. The recording should not require any specialized/licensed software for viewing.
- 6.14. The bidder will be required to provision the internet connectivity with requisite bandwidth at each event location.
- 6.15. **The connectivity must be through wired or wireless media i.e. RF. Connectivity using 3G/4G SIM card or dongle will not be accepted.**
- 6.16. Configuration of the network, assignment of IPs, provision for static IPs if required, etc. will be bidder's responsibility.
- 6.17. The bidder can provision internet bandwidth through its own network or through any other reliable service provider. In any case, the bidder will be responsible for connectivity and all coordination and liaisoning with service provider will have to be done by the bidder.
- 6.18. The bidder will be required to provide the viewing application free of cost for viewing the live stream. It is desirable that web-based video streaming software is provided for live monitoring.
- 6.19. The software shall provide video streaming with password protection to view CCTV feeds from the different event locations. The software shall provide for secure data streaming over the internet, with viewing access only to authorized persons. The data streaming shall not be open for viewing by the public over the internet.
- 6.20. The bidder will be required to carry out necessary testing and load testing of the setup well in advance to make sure it performs as per the requirement.
- 6.21. The bidder must depute necessary resources to provide instant support and ensure maximum uptime. Sufficient resources shall be available to attend and resolve any complaint on urgent basis.
- 6.22. The bidder must have sufficient team to carryout installation and testing activities at different event locations spread across the Surat city limit. The bidder will be provided the power supply to test the setup utilizing DG or through temporary connection prior to event date and necessary testing must be completed during this time as the power supply will not be available all the time except on the day of event.
- 6.23. **Response & Resolution Time:**

Any issue with the solution including but not limited to CCTV Camera, NVR/DVR or connectivity must be resolved within 1 hour beyond which penalty at 2.5% of quoted rate for respective item will be applicable per hour, delay beyond 3 hours will attract downtime penalty at 5% of quoted rate for respective item. Delay in Supply, Installation, Testing and Commissioning of CCTV Camera, NVR/DVR or connectivity will also attract penalty at the same rate mentioned above.

- 6.24. Penalty will not be levied for any delay in SITC of CCTV Camera, NVR/DVR or connectivity or resolution of issues pertaining to them, provided the same is beyond the control of successful bidder. However, the decision of SMC will be final and binding in case of the penalty to be applied, imposed in such cases to the bidder.

6.25. **Single Point of Contact**

The bidder will nominate one senior responsible person as the Single Point of Contact (SPOC) for the purpose of receiving the complaint and resolution of the same. The mobile no. of the same will be shared with the end users as well. S/he must remain available on call during the event. The nominated SPOC must interact cordially with the end user. S/he will carry out necessary activities to resolve the problem as per the response and resolution time.

## 7.15. TAX LIABILITY

GST (Goods & Service Tax) has come in existence from 1st July 2017. Contractor / Successful Bidder is bound to pay any amount of GST prescribed by the Govt. of India as per the Terms of Contract agreed upon during the course of execution of this Contract.

During the course of execution of Contract, if there is any change in Rate of GST (Goods & Service Tax) by the Government, the same shall be reimbursed / recovered separately by SMC, subject to the submission of Original Receipt / Proof of the

amounts actually remitted by the Successful Tenderer / Contractor to the Competent Authority along with a Certificate from Chartered Accountant of Contractor / Successful Bidder certifying that the amount of GST paid to the Government and the same shall be intimated / submitted / claimed within 30 (Thirty) Days from the date of payment. Remittance of GST within stipulated period shall be the sole responsibility of the Successful Bidder / Contractor, failing which SMC may recover the amount due, from any other payable dues with SMC and decision of Municipal Commissioner shall be final and binding on the Contractor / Successful Bidder in this regard. Further, the non-payment of GST to the Government may lead to the termination of contract and forfeiture of Security Deposit / Performance Guarantee Amount.

If imposition of any other new Taxes/Duties/Levies/Cess or any other incidentals etc. or any increase in the existing Taxes/Duties/Levies/Cess or any other incidentals etc. (excluding GST) are imposed during the course of the contract, the same shall be borne by the Contractor/Successful Bidder Only, in no case SMC shall be liable for the same.

The contractor will submit the invoice to the SMC having GSTIN of SMC mentioned therein and the taxes shall be shown separately on the face of the invoice so as to claim as ITC by SMC.

**7.16. The prices/charges quoted should also include:**

- i. Cost of necessary charger, USB Cables, power cables, signal cables, connectors, convertors, controllers, mounting kit and necessary device drivers/software that are specified/not specified in this bid but necessary.
- ii. SITC at installation site in as mentioned in the issued work order or at any other location to be decided by the SMC, within Municipal limit.
- iii. Transit Insurance, Freight and loading, unloading charges up to SMC's site.
- iv. Installation & Commissioning of the software and the hardware.
- v. Dismantling of materials from the respective sites on completion of event.

**7.17.** SMC may buy full/partial quantity from one/more bidder(s) and may split/ defer/ stagger the order(s)/ deliveries. The quantities shown in the tender are approximate and no claim shall be entertained for variation of quantities being less or more than those mentioned in the bid. The variations in the quantities shall not vitiate the contract.

**7.18.** In case, the awardee i.e. the selected bidder fails to supply specified quantity and quality of goods in time or the performance of such supply/supplies are not found up to the mark or found of inferior quality vis-à-vis specifications, the earnest money deposit and/or security deposit will be forfeited at once.

**7.19.** All goods to be supplied shall be of specified or higher speed/technology/version. SMC or its representative shall have the right (if it so desires) to test the goods to ascertain their conformity to the specifications. SMC shall notify to the bidder for this purpose and nature of tests that may be conducted (if found necessary) for bench-marking.

- 7.20.** In case the quoted Item is not available in the market, the bidder will have to supply Higher Version/replacement of that Item in the quoted cost in the same time duration with prior approval of SMC. No "End of Life" product should be quoted to minimize such instances till the bid validity.
- 7.21. Terms of Payment for SITC of CCTV Cameras:**  
Payment will be made to the bidder only after completion of event. No advance payment will be made in any case.
- 7.22.** It should be noted that the lowest rate(s)/price(s) will not be the sole criterion for accepting bid for any of the goods but emphasis will be given to the quality of the products and even the readiness to offer innovative technology thereof.
- 7.23.** Should the awarded bidder fail to deliver the scope of work in due time, SMC reserves the right to get the work done from third party at the bidder's risk and cost including the replacement of faulty components/equipments.
- 7.24.** The bidder shall extend all the benefits to the SMC such as free samples of products, materials, goods, articles including any kind of discount, rebate, commission, incentives normally offered to any other buyer in the form of gift or otherwise as part of the sales promotion scheme(s). If any sales promotion scheme(s) is/are launched after submission of bid or after the bidder is awarded with the contract by the SMC, all such benefits of the said sales promotion scheme(s) during the continuance of said scheme(s) shall have to be made available during the period of contract.
- 7.25.** The bidder shall provide relevant media for supporting software like device drivers, firmware upgradation, etc.
- 7.26.** The contract shall be governed by the Laws in India and shall be subject to the jurisdiction of Surat.
- 7.27.** The bidder/ its personnel shall not divulge or disclose to any person, any details of office, operation process technical know-how, administrative/ organizational matters as all are confidential/secret in nature.
- 7.28.** SMC retains the right to amend the scope of work or amend the program for service delivery at any time and without assigning any reason. SMC makes no commitments, express or implied, that the full scope of work as described in this RFP will be commissioned.
- 7.29. Back-office Support:** Additional support as and when needed shall be provided from offsite competent staff of the bidder for specialized repairs, maintenance, configuration and consultation with no extra cost.
- 7.30. Force Majeure:** The bidder shall not be liable for any delay or failure of performance of any of its obligations under or arising out of this contract, if the failure or delay is the result of an event of Force Majeure. "Force Majeure" means an event beyond the control of the bidder and not involving the bidder's fault or negligence, and not foreseeable. Such events may include, but are not restricted to, acts of the End customer in its sovereign capacity, wars or revolutions, riot or commotion, earthquake,

fires, floods, epidemics, quarantine restrictions. The bidder shall continue to perform its obligations under the Contract as far as is reasonably practical and feasible.

**Declaration:** I / We have thoroughly read, studied and understood the instructions of the bid documents, formats as well as the terms and conditions referred to hereinabove and the same are acceptable to me/us.
