QUOTATION

Sub: Invitation for Quotations of Installation and Operation of 2-Wheeler EV Chargers at Existing Charging Station sites of Surat Municipal Corporation on revenue sharing basis.

Surat Municipal Corporation (SMC) invites quotations from EV OEMs, Charging Infrastructure Providers, or Authorized Partners for setting up 2-wheeler Electric Vehicle (EV) Charging Stations under revenue sharing model at selected existing charging station locations within Surat City.

Scope of Work :

Design, supply, installation, testing, commissioning, and operation of 2W EV chargers.
Chargers to be integrated with respective OEM app and SMC platform.
Regular operation & maintenance of chargers.
Electricity will be supplied by SMC on chargeable basis if required.
Revenue sharing minimum Rs.2/- per KWh is mandatory.
Charger Space will be provided by SMC

Locations :

Initial pilot at 3 selected sites (may increase in future):

S.N.	PCS Place	Latitude	Longitude
1	Below Anu-Vrat Dwar Fly-Over Bridge, Udhana Magdalla Road	21.159993	72.797409
2	Central Zone Fly-Over Bridge, Millennium Market Pay & Use Toilet , Pillar No. 35, Ring Road	21.188837	72.840739

Terms & Conditions :

1. Charger Type: Fast chargers compatible with 2W EVs as per latest standards framed by GOI.
2. Minimum Infrastructure Footprint: 10 ft x 10 ft per location (tentative).
3. Power Requirement: Supplied by SMC (if required), reimbursed by bidder based on actual sub-meter reading. Tested sub meter to be provided by bidder.
4. Ownership: Chargers to be owned & maintained by the bidder.
5. Branding: Co-branding with SMC subject to prior approval.
6. Tariff: bidder shall propose tariff per kWh and revenue share with SMC.
7. Contract Duration: Pilot period of 12 months (extendable upon performance review).
8. Statutory Clearances: To be obtained by bidder where applicable.

Documents to be Submitted :

1. Company Profile and Experience in EV Infrastructure
2. Proposed Technology and Charger Specifications
3. Power Requirement per charger
4. Proposed Revenue Model
5. Branding and Co-usage proposal
6. Maintenance & Service Plan
7. Copy of PAN, GST, Company Registration
8. Authorization Letter (if applicable)

Submission Deadline :

Last Date of Submission: **On or before 05:00 pm, 28th August 2025**
Mode of Submission: Physical, in a sealed cover duly superscribed "**Quotation of Installation & Operation of 2W EV Chargers**".
Place of Submission: **Chief Accountant, SMC Main Office, Muglisara, Surat – 395 003.**

Subject: Quotation for Installation and Operation of 2-Wheeler EV Charging Stations at SMC Locations under Revenue Sharing Basis.

1. Bidder Information :

Field		Details
Name of Company	:	
Type of Entity (Pvt Ltd/LLP/OEM/Others)	:	
Registered Address	:	
Authorized Contact Person	:	
Designation	:	
Mobile Number	:	
Email ID	:	
GST No.	:	
PAN No.	:	

2. Charger & Technology Details :

Parameter		Description
Type of Charger	:	AC Slow / Moderate / Fast (Fast preferable)
Make & Model	:	
Number of Charging Points Offered	:	
Rated Output Power per Charger (KW)	:	
Connector Type	:	As per OEM standard
App Integration Available	:	Yes / No (Details if Yes)

3. Financial Proposal for Revenue Sharing Model

Component		Details
Revenue Share to SMC	:	₹_____ per kWh
Power Consumption Estimate per Charger (kWh/day)	:	
Maintenance Model	:	In-house / Third Party (Details)
Duration of Operation & Support	:	___ Months (Minimum 12 Months)

4. Additional Information

Proposed Timeline for Installation: 07 Days from LoA
Whether branding/co-branding signage can be arranged: Yes / No
Any other initiatives linked with this project: _____
Previous EV Infrastructure Experience (mention locations): _____

DECLARATION
