

### Department wise list of Faculty Members

Department	Name of the faculty Qualification IMR Number	Current Designation & Date of promotion	Nature of employment <small>(Regular/permanent or contract/outsourced)</small>	Details of Service in the Last 5 years					Number of lectures taken/year. Topics covered
				2017	2018	2019	2020	2021	
Anaesthesiology	Dr. Divyang Shah MD G-15272	Professor 04/12/2018	Permanent	Working as Professor & Head at SMIMER, Surat since 2018 (04/12/2018)					12 Anaesthesiology
	Dr. Malti Pandya MD G-7616	Professor (Additional) 07/03/2017	Permanent	Working as Professor (Additional) at SMIMER, Surat since 2017 (07/03/2017)					12 Anaesthesiology
	Dr. Bhavana Soni MD G-	Professor (Additional) 07/03/2017	Permanent	Working as Professor (Additional) at SMIMER, Surat since 2017 (07/03/2017)					12 Anaesthesiology
	Dr. Subhash Patel MD G-15271	Associate Professor 30/10/2009	Permanent	Working as Associate Professor at SMIMER, Surat since 2009 (30/10/2009)					12 Anaesthesiology
	Dr. Bina Patel MD G-11840	Associate Professor 11/03/2019	Permanent	Working as Associate Professor at SMIMER, Surat since 2019 (11/03/2019)					12 Anaesthesiology
	Dr. Bhavna Sojitra MD G-10977	Associate Professor 15/10/2020	Permanent	Working as Associate Professor at SMIMER, Surat since 2020 (15/10/2020)					12 Anaesthesiology
	Dr. Archana Vaghela MD G-12510	Assistant Professor 11/11/2006	Permanent	Working as Assistant Professor at SMIMER, Surat since 2006 (11/11/2006)					10 Anaesthesiology
	Dr. Neepa Patel MD G-15259	Assistant Professor 25/09/2009	Permanent	Working as Assistant Professor at SMIMER, Surat since 2009 (25/09/2009)					10 Anaesthesiology
	Dr. Sonali Joshi MD G-13117	Assistant Professor 25/09/2009	Permanent	Working as Assistant Professor at SMIMER, Surat since 2009 (25/09/2009)					10 Anaesthesiology
	Dr. Dipika Patel MD G-17475	Assistant Professor 08/03/2017	Permanent	Working as Assistant Professor at SMIMER, Surat since 2017 (08/03/2017)					10 Anaesthesiology

	Dr. Bhumika Munshi MD G-20750	Assistant Professor 03/01/2019	Permanent	Working as Assistant Professor at SMIMER, Surat since 2019 (03/01/2019)	10 Anaesthesiology
	Dr. Hetal Hathiwala MD G-23753	Assistant Professor 17/11/2020	Permanent	Working as Assistant Professor at SMIMER, Surat since 2020 (17/11/2020)	10 Anaesthesiology
	Dr. Mayur Koyani DA G-12333	Tutor 03/04/2004	Permanent	Working as Tutor at SMIMER, Surat since 2004 (03/04/2004)	-
	Dr. Parul Jani DA G-11293	Tutor 13/04/2005	Permanent	Working as Tutor at SMIMER, Surat since 2005 (13/04/2005)	-
	Dr. Bijal Bhavsar DA G-	Tutor 17/02/2010	Permanent	Working as Tutor at SMIMER, Surat since 2004 (03/04/2004)	-
	Dr. Reshma Korat DNB G-19436	Tutor 25/09/2012	Permanent	Working as Tutor at SMIMER, Surat since 2004 (03/04/2004)	-

## ANNEXURE - I

1	Dr. Divyang Shah	Neepa Patel, Nikul Joshi, Divyang Shah. Higher baseline perfusion index can predict hypotension in parturient undergoing elective lower segment caesarean section under spinal anaesthesia. MedPulse International Journal of Anaesthesiology. March 2021; 17(3):99-102.	No	Index Copernicus
		Rashmika Khatri, Divyang Sha, Sonali Joshi. Comparison of “standard” versus “lower” approach interscalene brachial plexus block for upper extremity surgery using peripheral nerve stimulator. MedPulse International Journal of Anaesthesiology. March 2021; 17(3): 132-136	No	Index Copernicus
2	Dr. Malti Pandya	Dr. Dhruv jariwala, Dr. Malti Pandya, Dr. Divyang Shah. Comparision of intervenous tramadol versus intervenous clonidine for control of post spinal anesthesia shivering. MedPulse International Journal of anaesthesiology. April 2021; 18(1): 01-06	No	Index Copernicus
		Dr. Hiren Anadani, Dr. Malti Pandya, Dr. Divyang Shah. Relationship between Abdominal Circumference and Incidence of Hypotention during cesarean section under spinal Anaesthesia. NJMR July – September; 11(3): 62-65.	No	Index Copernicus
3	Dr. Bhavana Soni	Dr. Bhavana soni, Dr. harshini Kothari, Dr. Divyang Shah. Comparative study of dexmedetomidine vs Estomolol for Attenuation of Stress Resposes to laryngoscopy and Endotracheal Intubation. National Journal of Medical Research. March – 2021, 11(1):1-35	No	Index Copernicus international
		Dr. Bhavana soni, Dr. Miti Desai, Dr. Divyang Shah. Dexamethasone and Dexmedetomidine as Adjuvants to Local Anaesthtic Mixture in Supraclavicular Brachial Plexus Block for Upper limb Orthopaedic Surgeries: A prospective Randomized Study. National journal of medical research. December – 2020; 10(4): 184-188	No	Index Copernicus international
		Dr. Reshma Korat, Dr. Preet Kagalwala, Dr. Bhavana soni, Dr. divyang shah. Laproscopic Assisted Transversus Abdominis Plane (TAP) Block: Development of Novel Technique for Postoperative Analgesia in Patients Undergoing Gynaecological Laproscopic Surgeries. National journal of medical research. December – 2020; 10(4): 169-172	No	Index Copernicus international
4	Dr. Subhash Patel	Neepa Patel, Prayati Shah, Subhash K Patel, Divyang V Shah. A comparative evaluation of intrathecal bupivacaine and dexmedetomidine versus intrathecal levobupivacaine and dexmedetomidine in vaginal hysterectomy. MedPulse International Journal of Anaesthesiology. February 2021; 17(2): 39-43	No	Index Copernicus
5	Dr Bina Patel	Dr. Devshri Raval, Dr. Bina patel. A Prospective comparative study of intranasal dexmedetomidine and clonidine on sedation and hemodynamic response during laryngoscopy in adult .International Journal of Medical Anaesthesiology. March – 2021; 4(1): 93-97	No	Index Copernicus
6	Dr. Bhavna Sojitra	Dr. Riya Desai, Dr. Bhavana Sojitra, Dr. Divyang Shah. Comparison of I-gel Insertion Conditions Using Dexmedetomidine Propofol Versus Fentanyl – Propofol: An Observational	No	Index Copernicus

		Study. National Journal Of Medical research. March – 2021; 11(1) :18-21		
		Dr. Riya Desai, Dr. Bhavana Sojitra. Comparison of Thyromental Height Test (TMHT) with Modified Mallampati Score, Thyromental Distance, Neck Circumference, Neck Extension and Inter Incisor Gap, as a Predictor of Difficult Laryngoscopy: A Prospective study. National Journal of Medical research. September – 2021; 11(3): 93-96	No	Index Copernicus
7	Dr. Archana Vaghela	Dr. Archana Vaghela, Dr. palak Modi, Dr. divyang Shah, Dr. Khushali Nayak. A Comparative Study of 2% Lignocaine Vs 50% Magnesium Sulphate for Attenuation of stress Response to Laryngoscopy and Endotracheal Intubation. National Journal of Medical research. March 2021; 11(1): 15-17	No	Index Copernicus
8	Dr. Neepa Patel	Neepa Patel, Nikul Joshi, Divyang Shah. Higher baseline perfusion index can predict hypotension in parturient undergoing elective lower segment caesarean section under spinal anaesthesia. MedPulse International Journal of Anaesthesiology. March 2021; 17(3):99-102.	No	Index Copernicus
		Neepa Patel, Prayati Shah, Subhash K Patel, Divyang V Shah. A comparative evaluation of intrathecal bupivacaine and dexmedetomidine versus intrathecal levobupivacaine and dexmedetomidine in vaginal hysterectomy. MedPulse International Journal of Anaesthesiology. February 2021; 17(2): 39-43	No	Index Copernicus
		Dr. Neepa Patel, Dr. Vandana Rathod K, Dr. Divyang Shah V. A Comparison of intravenous Dexmedetomidine and intravenous magnesium sulphate for controlled hypotension in ENT surgery under general anesthesia. International journal of scientific research: April – 2021, Volume – 10, Issue – 4 : 36-38	No	Index Medicus
9	Dr. Sonali Joshi	Dr. Rutvi Mody, Dr. sonali Joshi, Dr. Divyang Shah. Post – operative analgesia following mastoid surgeries : Comparison between selective nerve blocks (greater auricular and auriculotemporal) v/s parenteral opioid (pentazocine). Medpulse International Journal of Anaesthesiology. January – 2021; 17(1): 17-21	No	Index Copernicus
		Sonali Joshi, Daisy Gajjar, Divyang Shah. Subarachnoid versus intravenous clonidine for minimizing stress response in laparoscopic surgeries under general anaesthesia. MedPulse International Journal of Anesthesiology. April 2021; 18(1): 48-54	No	Index Copernicus
		Rashmika Khatri, Divyang Sha, Sonali Joshi. Comparison of “standard” versus “lower” approach interscalene brachial plexus block for upper extremity surgery using peripheral nerve stimulator. MedPulse International Journal of Anaesthesiology. March 2021; 17(3): 132-136	No	Index Copernicus
10	Dr. Dipika Patel	Dr. Bhavika Ogariwala, Dr. Dipika Patel, Dr. Divyang Shah. Comparative evaluation of levobupivacaine and levobupivacaine with dexmedetomidine in transeversus abdominis plane block for caesarean delivery for post – operative analgesia: Randomised prospective study. MedPulse International Journal of Anesthesiology. April 2021; 18(1): 29-35	No	Index Copernicus
